

Who will place the highest value on our

Remarkable Outdoors?

Mountain Clubs
of New Zealand

What policies are needed to protect and enhance our Outdoors, and who will speak up for an outdoor life worth living?

FMC invites the outdoor community to the launch of 'Remarkable Outdoors', our push for outdoor issues to be prominent in the 2017 General Election.

Come and join our new FMC Executive for a drink, a yarn, and some serious outdoor politicking. Politicians present will be given a chance to speak.
